Simply the Best

A team of professionals focused on you!

Caring Place Healthcare Group has been in the business of caring for seniors for over 30 years. It is our passion and dedication to be the best at what we do. As one of the leading nursing and rehab providers in Cincinnati and Dayton, we understand your needs.

We are committed to building upon a tradition of excellence in service and working cooperatively with your physicians, hospitals and other healthcare entities. Combined with our award winning staff of Registered Nurses, Clinical Pharmacists, Registered Dietitians and therapists - we are focused on providing a comprehensive approach.

Our personalized rehabilitation programs incorporate physical, cognitive and psychological components to ensure your speedy recovery. Skilled Nursing, Long Term Care and Alzheimer's Care embodies creative solutions to improve a resident's quality of life whether they transition home or stay with us. And, our Independent and Assisted Living facilities are warm communities that feel like you've known everyone forever and grew up in the same town.

Thank you for considering Sanctuary Pointe Nursing & Rehab, one of our six Caring Place Healthcare Group locations for you or a loved one. We are centrally located just North of Interstate 275 on Hamilton Avenue. Our team is at your service to make this next journey as comfortable as possible.

Warm Regards,
Chase M. Kohn
Chief Operating Officer

Physical, Occupational & Speech Therapy

At Sanctuary Pointe Nursing & Rehab Center, we are proud of our professional licensed staff that are focused on your daily progress and getting you back home living a happy retirement and doing the things you love.

OCCUPATIONAL THERAPY

Our Occupational Therapists treat patients who have experienced loss of independence. We are focused on retraining your abilities for:

- Activities of Daily Living
- Feeding/dining program using our "mock kitchen"
- Wheelchair usage
- Bed mobility
- Toileting program
- Home assessments

SPEECH THERAPY

Our Speech Language Pathologists treat patients with deficits in speech, language, swallowing or cognition. They facilitate improvements in function through:

- Neuromuscular re-education
- Oral motor strengthening
- Oral motor stimulation
- Dementia management
- Caregiver education
- Feeding/dining program
- Thermal Tactile Oral Stimulation (TTOS)- aides in delayed swallowing to increase sensitivity

AlterG® Anti-Gravity Treadmill® Designed for Seniors-Clinically proven to reduce pain and impact on your joints

- Allows seniors to exercise in a fall-safe environment even with the presence of orthopedic, neurologic, or other medical conditions
- The feeling of walking on air is achieved with precise unweighting, allowing you to walk or run between 20 and 100 percent of your body weight
- Overcome mobility issues
- Work on strength and muscle control in a protected environment
- NASA technology, utilized by Cleveland Clinic, top medical and rehabilitation facilities

We accept most major insurances, Medicare and Medicaid. Please request a complete list on your tour.

Alzheimer's Care

Our memory impairment area, known as Shelter Point Alzheimer's Center, is a self-contained unit that provides for all stages of dementia. Recognizing that the traditional nursing home setting is not well suited for the Alzheimer's resident, we developed a warm, home-like area to enhance the quality of life. This allows them more personal freedom as possible, yet remaining conducive to their needs for security and safety.

- Private room accommodations - in secure unit
- Higher staff to resident ratio
- Attractively decorated lounge and dining areas encourage socialization
- Spacious corridors allow residents in wandering stage freedom of movement
- Finger foods help maintain independence
- Successful bowel and bladder program for longer periods of continence
- Activities are held in a calm, structured environment and geared to their cognitive levels
- Ongoing family support from our on-staff licensed psychiatrist
- Full-time Activity Director
- Secure garden courtyard

Skilled Nursing

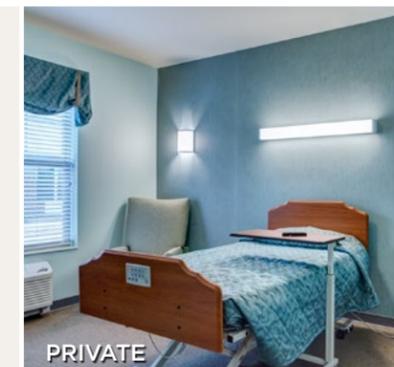

Sanctuary Pointe Nursing & Rehab Center offers skilled nursing care in a beautiful and supportive environment. You will find your loved one at ease in a setting created specifically to focus on their needs when recovering from a surgery, illness or rehabilitation.

- Under the care and attentive supervision of a team of registered nurses 24-hours a day
- Short or long term care
- Palliative & Hospice care
- Respite Stays
- Wound Care program- latest and best medical treatment for recurring or slow-to-heal wounds
- Transportation to medical appointments
- Capable of treating medically complex needs including post-surgery care, pain management, IV therapy, diabetes, dialysis, cardiac, respiratory, orthopedic and wound care.

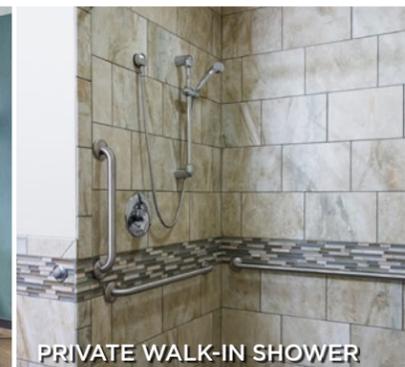

Our restorative care philosophy reinforces the healing and rehabilitation process to promote independence. Sanctuary Pointe exemplifies a consistent ability to meet superior standards of care that include exceptional patient satisfaction, reduced patient re-admission rates, and quicker patient recovery.
